

# Appointing to Fixtures Devon Hockey Website

Updated: 1 August 2010

Fixtures on the Devon Hockey (DH) Website are generally appointed to by Devon Hockey Umpires' Association (DHUA), unless otherwise indicated by the phrase "Umpires not provided by Devon HUA" next to the fixture concerned.

Apart from friendly fixtures, or irregular competitions or tournaments where DHUA are invited to appoint, umpire appointing is done in conjunction with the rules of the relevant competition and in accordance with Devon Club Agreements.

Some information on the DH Website is 'linked' to external websites, such as certain parts of league fixture information that is entered and updated on these other websites that is then 'copied' across by underlying code to the DH Website. This prevents the same information having to be entered twice in two different websites.

The Competitions that DHUA currently appoint to are as follows:

- England Hockey Competitions (EH)
- British Universities and Colleges Sports (BUCS)
- West Mens League (WML)
- West Womens League (WWL)
- Devon Club Competitions (DCC)
- Exeter Ladies Summer League (EMSL)
- Exeter Mixed Summer League (EMSL)
- Plymouth Mixed Summer League (PMSL)
- Plymouth & District League (PDL)

For some competitions, the date may be pre-set or have to be changed by a website administrator. If applicable, the DATE, TIME and VENUE of each fixture can be updated as follows by the relevant Club:

Competition	Date	Time	Venue
EH	DH Website	DH Website	DH Website
BUCS	DH Website	DH Website	DH Website
WML	WML Website	WML Website	WML Website
WWL	WWL Website	WWL Website	WWL Website
ELSL	DH Website	DH Website	DH Website
EMSL	DH Website	DH Website	DH Website
PMSL	DH Website	DH Website	DH Website
PDL	DH Website	DH Website	DH Website

Failure by a club to enter the required fixture information on the relevant website may be a breach of the relevant Competition Rules or Devon Club Agreements.

**Appointments will NOT be made by DHUA to games without Fixture Times or Match Venues**
