

Club Affiliated Umpires Devon Hockey Website

Updated: 1 August 2010

An umpire may choose to be 'affiliated' to a Hockey Club listed on the Devon Hockey Website (DHW).

If you are currently affiliated to a particular Hockey Club, wish to be affiliated to a different Hockey Club, remove your current affiliation or are not affiliated but wish to be affiliated (hope you're getting the picture) then you need to do this yourself.

You can be affiliated to a Hockey Club if you are either:

- A qualified Level 1 Umpire or above, or,
- A Level 1 Candidate Umpire, or,
- A Foundation Umpire, or,
- An Aspiring Umpire (i.e. someone awaiting an umpiring course).

To check, or affiliate to another Club, or to remove your affiliation and not be affiliated to any particular club, all you have to do is:

- Go to your Personal Area of the DHW
- Log in using your password
- Click on the button 'Edit Contact Details'
- From the drop down list under 'Club Association' select the club you wish to be affiliated to (if any)
- Finally, click the 'Submit the Changes' button

You will have to do this yourself, as you must choose your affiliated club.

At the same time, please make sure all your other Personal Details are up-to-date.

Hockey Clubs in Devon, or Hockey Clubs outside the geographical boundaries of Devon who ask Devon for umpiring support, have the option of entering into a 'Club Agreement' with Devon Hockey Umpires' Association (DHUA).

There are 3 types of Hockey Clubs, under the Devon Club Agreements, 'A', 'B' and 'C'. All Hockey Clubs are reset to 'C' before the start of each regular hockey season.

Appointing Fees for DHUA Appointed Umpires are 'linked' to the classification of each Hockey Club. The classification each Hockey Club can choose is 'linked' to the number of Active Qualified Level 1 Umpires affiliated to the Hockey Club.

Therefore, the more Active Qualified Level 1 Umpires affiliated to a Hockey Club, the higher the Club Agreement classification, the lower the DHUA Appointed Umpire fee charged to the Hockey Club.
